FIGHT FOR TOP BERTH TO BE RENEWED SUNDAY AFTERNOON

Good Game Expected When Leading Teams Meet in Battle; Feldman and Gomez Clubs Also Scheduled to Battle in Fight for Third Position of League.

WHO is going to drop into second place Sunday afternoon at Rio Grande park, Purity or Weston? Inside dope has it that the Weston team with its heavier hitters has got a nice edge on the Purity team, while there are others who declare that the Purity nine with its pitching staff can't do anything but win. At any rate it ought to be a game worth going a long way to witness. If the two teams put up the brand of ball they have been playing for the past two weeks, each club has won three and lost two games, and the result of the battle Sunday will give the loser a temporary setback in the battle for the top berth of the circuit.

And what of the Feldman and Gomez clubs? These two teams who seem to be coming just as strong, simmered down, the Paso City league race this season is about the scrappiest that has been put up for several years, and fans are in for some regular baseball games if the present dope runs to form.

So far the crowds at Rio Grande park every Sunday have not been up to expectations, but with the snappy playing and close competition it is hoped that the weekly crowds of last year will come out again.

Manager Bill Pelphrey of the Weston team, has one of the most reliable players of the league in Haney, the tall first baseman. Haney has demonstrated his worth any number of times but Sunday afternoon he went into the box and finished the game in good shape. He did this once before, and it seems as if he can pitch as well as play first base and that is saying a great deal about his ability. As a pitcher, he is a fast snappy player and is one that uses his head every minute of the game to advantage.

Caprice A. J. Ferro made a hit in his initial appearance of the season Sunday afternoon. Ferro is now in his third year as a city league pitcher and has made good in every instance.

The work behind the bat was excellent Sunday afternoon, while he was one man on the field who was strong for snappy baseball and it was due to his efforts that the games were over in such a short time. Fans like such action on the baseball field, and the umpire has a lot to do about this.

The showing of Gillette Sunday against the Purity team in the morning game should encourage manager Livingston at great deal. Paul Fisher, the manager of the Feldman team, was away from the city and the work in the box fell on the shoulders of Gillette, and it must be said that he carried the burden nicely. With both Fisher and Gillette working in good form, the game was a lot to do about this.

TEXACO CRATER COMPOUND
The Great Gear Lubricant
Makes Tractor Gears Last Longer

DURING plowing and seeding there's a cloud of dust around the gears all the time. Dust and sand get on the gear teeth, cause rapid wear—early replacements.

CRATER COMPOUND on gears, chains and sprockets protects them even under these severe conditions.

In spite of the dust and dirt this great lubricant sticks to the treated parts and protects them. It coats each and every tooth with lubricant and keeps them coated. It doesn't dry or flake off. Neither will it wash off nor melt. It just sticks and lubricates always.

That's why CRATER COMPOUND makes gears last longer—saves replacements and delays. Increases the profits on your tractor investment.

Try a 25-lb. can of TEXACO CRATER COMPOUND. Call on Texaco dealer, or write our nearest office.

There is a Texaco lubricant for every purpose.

EDDIE CICOTTE AND RECRUIT ARE AMERICAN LEAGUE STARS

George Mogridge, Yankee Recruit, Pitched No Hit Game Against Red Sox in Their Home Town; Fred Toney Is a Leader in the National League.

NEW YORK, May 3.—Wonderful early season pitching in the big leagues this spring has been a revelation. Seldom, if ever, have such a large per cent of big league pitchers shown the early form that has been displayed so far this year, and when the hot weather comes the batters are bound to find themselves up against even better hurling.

The big surprise in the American league was the pitching of two no-hit games within the first three weeks of the race. Eddie Cicotte broke into the Hall of Fame his first time out this year by fanning the Browns in a no-hit shutout, which he won 11 to 0. Less than two weeks later George Mogridge, Yankee left-hander, turned in a no-hit game against the Red Sox in Boston, though the Sox got a run.

That further no-hit performances may be expected is the belief in baseball circles now, because of the wonderful condition of the pitchers in general. The weather down south was ideal for training, and most clubs sent their battery men ahead of the main squads so that in all they had nearly two weeks start on the fielders. The wonderful southern sunshine then, must be given credit for the showing of the pitchers.

From the opening of the season until the first day of May no less than 20 corking games of ball were turned in by the pitchers, and 13 of these games were won with hurlers holding opposing batters in the palm of their hands. In addition to the no-hit games pitched by Cicotte and Mogridge, there was Al Seaton's one-hit game against Cleveland, four two-hit games and six three-hit games.

The pitchers who turned in two-hit games were: Anderson, of the Giants, against Boston; Vaughn, of the Cubs, against Pittsburgh; Faber, of the White Sox, against Detroit; and Stanley Coveleske, of Cleveland, against the White Sox, in a game which he lost 1 to 0. Jim Scott pitched against him and allowed five hits.

The hurlers who held the opposition to three walkups were: Babe Ruth, against the Yankees; Walter Johnson, against the Athletics; Fred Toney, against the Cardinals; Grimes, of the Pirates, against Chicago; Leslie Bush against Washington, and Claude Cooper versus the Cards, and all these games have been pitched with the mercury hovering around 65 degrees.

The four and five-hit games are piling up fast this spring. Ferdie Schupp, Alton Russell, Shocker, Roland, Barnes and Schneider have all pitched four-

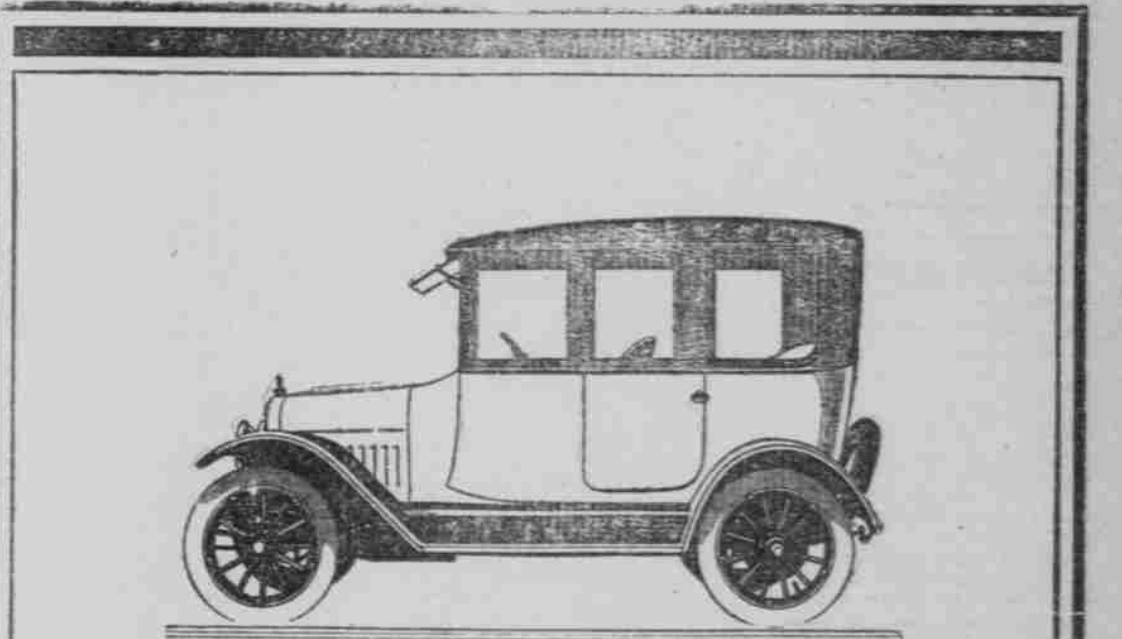

FIRST PAYMENT MADE FOR CLUB
St. Louis, Mo., May 3.—The first payment of \$115,000 on the St. Louis Nationals was made to Mrs. Helene Britton Wednesday. Subsequent payments to complete the \$350,000 for which the club was sold will be made during the next three years.

J. C. Jones, originator of the plan for organizing a popular stock company to buy the club, said there are about 1500 stockholders.

OLIN LOSES BOUT TO STRANGLER ED. LEWIS
Chicago, Ill., May 3.—At the end of two hours and 35 minutes of wrestling Wednesday night, John Olin, the Finn wrestler, conceded the match in which he was pitted against Ed Lewis, the "strangler." There was little skill shown throughout the match, each man relying on his strength. Olin said he had hurt his right shoulder and gave this as his reason for conceding the match to Lewis.
